| Date          | 20 February 2026                                                                             |
| Team ID       | LTVIP2026TMIDS86695                                                                          |
| Project Name  | Empowering India: Analysing the Evolution of Union Budget Allocations for Sustainable Growth |
| Maximum Marks | 4 Marks                                                                                      |

#### Functional Requirements:

Following are the functional requirements of the proposed solution.

| FR No. | Functional Requirement (Epic) | Sub Requirement (Story / Sub-Task)    |
|--------|-------------------------------|---------------------------------------|
| FR-1   | User Registration             | Registration through Form             |
|        |                               | Registration through Gmail            |
|        |                               | Registration through LinkedIn         |
| FR-2   | User Confirmation             | Confirmation via Email                |
|        |                               | Confirmation via OTP                  |
| FR-3   | User Login & Access           | Login using Email & Password          |
|        |                               | Forgot Password & Reset               |
|        |                               | Secure Session Management             |
| FR-4   | Budget Data Management        | Upload Union Budget Dataset           |
|        |                               | Data Cleaning & Preprocessing         |
|        |                               | Categorize Sector-wise Allocation     |
| FR-5   | Dashboard & Visualization     | Year-wise Budget Trend Charts         |
|        |                               | Sector-wise Allocation Graphs         |
|        |                               | Filter by Year / Sector               |
| FR-6   | Analytics & Forecasting       | Growth Rate Analysis                  |
|        |                               | AI-based Future Allocation Prediction |
|        |                               | Sustainability (SDG) Mapping          |
| FR-7   | Reports & Export              | Download Reports in PDF               |
|        |                               | Generate Comparative Reports          |
