Group Ideas

Take turns sharing your ideas while clustering similar or related notes as you go. Once all sticky notes have been grouped, give each cluster a sentence-like label. If a cluster is bigger than six sticky notes, try and see if you can break it up into smaller sub-groups.

10 minutes

10

Once you've clustered up all sticky notes, choose a cluster to discuss further, organize, and integrate it into your plan or theme within your group.

Type your heading.

Step-3: Idea Prioritization

Prioritize

Your team should all be on the same page about what's important moving forward. Place your ideas on this grid to determine which ideas are important, and which are feasible.

20 minutes

Participants will use their insights on what is going well, what needs to change, and the goals they envision for the future to place their ideas on the grid.

After you collaborate

You can report the result as an image or pdf to share with members of your company who might find it helpful.
